Learning Resources is a manufacturer of innovative, hands-on educational products that set imaginations in motion. Founded in the Chicago area in 1984, Learning Resources has long been known by educators to be an outstanding source for math, reading, science, early childhood products and teachers resources products. Their mission is to develop quality educational products that make learning exciting for children of all ages and abilities – products that will benefit them as they grow, while building a strong foundation of skills through exploration, imagination and fun!
